## Then:

*Are you nervous about going to high school and why?*

*Makeeka Marsden*

Just a little. It will be hard because of all the homework and tests, but it will be fun because there will be so many more opportunities.

*Jennifer Lee*

What? Why would I be nervous? It's just high school. Yeah, there's test and big people but it is still just school.

*Michael Rutgard*

I'm not nervous because I have two siblings already there and they would show me the ropes.

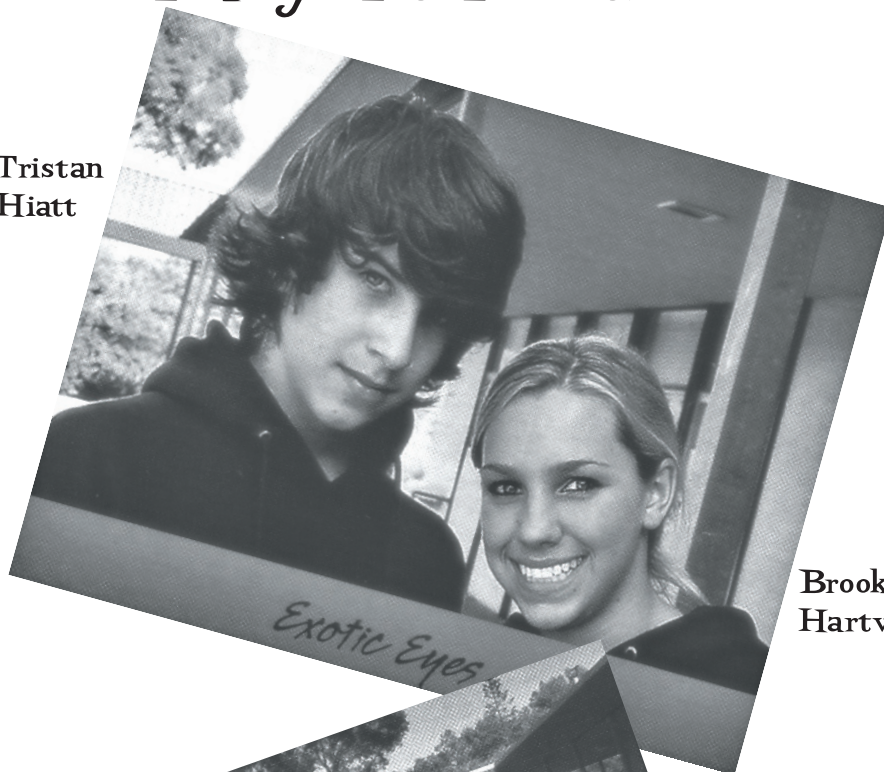

*Diane Earl*

I am not scared or nervous about going to high school, because I have good friends who will support me.

## Now:

*Are you nervous about going to college and why?*

*Makeeka Marsden*

I am worried about getting the feeling that college is a vacation that is way too long and I can't go home.

*Jennifer Lee*

I'm not nervous about college. College should be nervous about me. I am going to take over the world.

*Michael Rutgard*

I am nervous. I have heard there are sharks and I am terrified of sharks.

*Diane Earl*

I am nervous about having to deal with the pressure of college without my parents. I am worried about doing things all on my own without punishments.
