Advice for Future Seniors

Dear Class of 2021...

Confessions

Some of the stuff I've seen in the 500 building bathrooms will scar me for life.

Wasn't always sober...

Me and my friends hid little cows around Mr. Irinyi's room.

I sent out the Dr. Hom finals in 9th grade.

I climbed on the roof of the gym one time, that was insanely cool.

Peeing in Ms. Lyon's closet.

I still don't know what the Thirty Years' War is.

I copied over 75% of every math homework I've ever done.

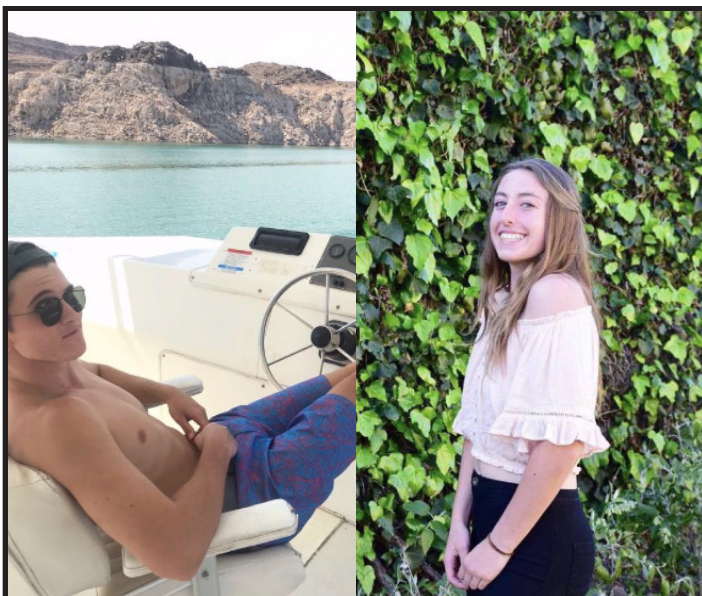

The spanish classes at this school are extremely bad.

I ditched first period for 3 weeks straight freshman year.

Quarantine Thoughts

Should I sit on the couch in the living room or in the T.V. room?

I miss school. I never thought I'd say that before.

I feel robbed.

Could be worse, but kinda ruined the best part of senior year.

I kept wishing I could have a pause on life, but never thought it would happen and it is not fun.

Got boring fast.

I want to go to a party.

This should have happened to the Class of 2021.

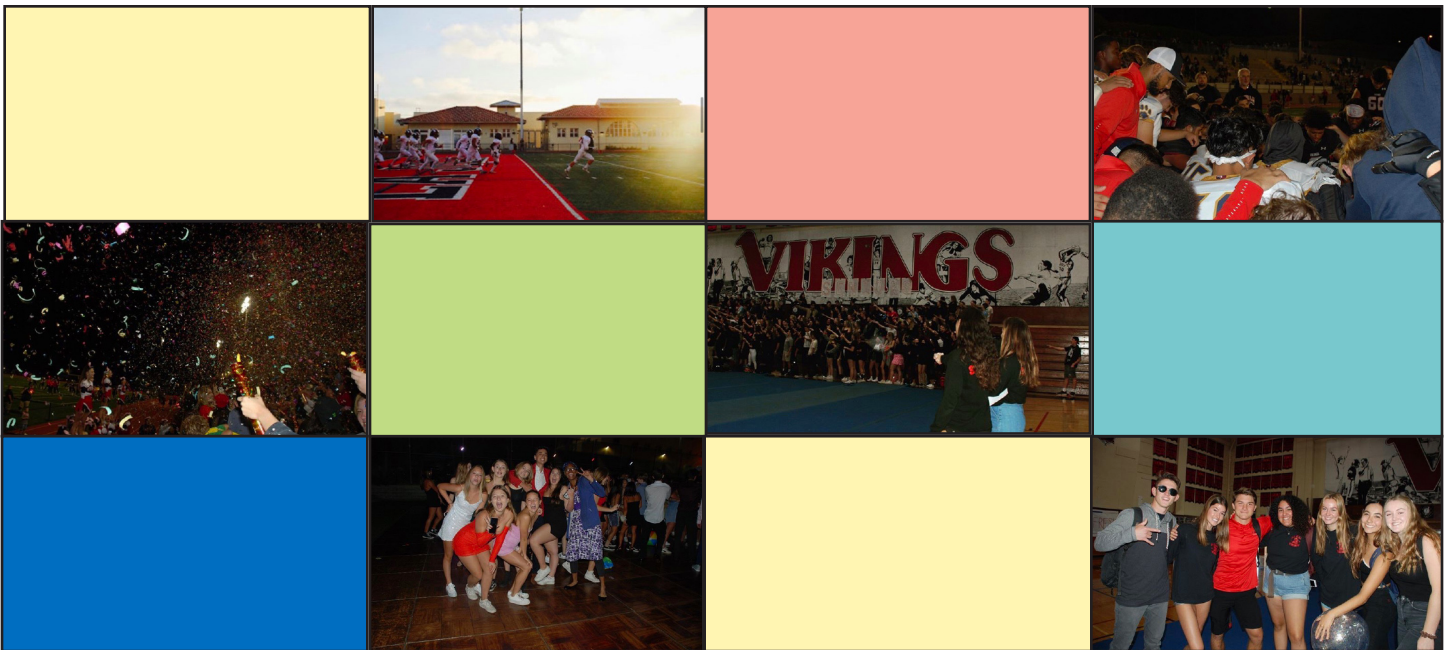

Does a straw have one hole or two holes?

I wish this happened freshman year.

It's nice to take things slow and realize how much we often take for granted on a daily basis, however, the timing couldn't be worse.

I miss my friends.
